
TECHNOLOGY MANAGEMENT AND INNOVATION (TMI)

MTA QUESTIONNAIRE

Date

Requested by date:

KU Principal Investigator (PI) Secondary

Contact if different from PI

PI E-mail

PI Phone Number

Department

Is the requested material(s) associated with an
Invention Disclosure or pending patent application

YES

NO

NOT SURE

If Yes/Unsure, please provide Invention Disclosure No
or title of the project

Is the materials being requested associated with a
Research Agreement/Funding?

YES

NO

If Yes, please provide the provide the sponsor(s) name(s),
project title(s) and sponsored project number(s).

Recipient (Company/Institution)

Recipient Legal Address

Recipient Scientist

Recipient Scientist Title

Recipient Scientist E-mail

Recipient Scientist Phone

Has there been a previous Agreement with the Parties,
such as an MTA, NDA, etc.?

YES

NO

NOT SURE

If Yes, please provide the type of Agreement and year.

Type of Materials	Biological Software	Non-Biological Database
-------------------	---------------------	-------------------------

Is the use of the material subject to ethics, compliance and/or approval permits?	YES	NO	N/A
---	-----	----	-----

Please provide the name of the materials being provided (or attach a description)

Will any of the following items be involved in this research?	Biohazards	Radioactive substances
	Animals	Human Subjects* Additional approvals will be required

Will the Material be used in conjunction with materials from other parties?	YES	NO
---	-----	----

If Yes, please provide the necessary information

Provide a few sentences describing the proposed intended use of the material

Will Modifications (substances which contain/ incorporate the Material(s)) or Derivatives (functional subunits or product expressed by the Material(s)) be made during the course of the research with the Material(s)	YES	NO
--	-----	----
