## Health Initiatives

### Blood Donation - September

- Over the course of 2 days, SEHA in collaboration with KU, successfully collected 72 units of blood from our students, staff and faculty with only 15 deferrals.
- Each unit can save up to 3 lives, in other words KU community will help save up to 216 lives.
- A total of 12 student volunteers assisted in organizing the campaign

## Health Initiatives Breast Cancer - October

- In collaboration with Advance Cure Clinics, a breast cancer awareness event was conducted on Tuesday October 15<sup>th</sup>
- Health check-up for KU members was offered
- 55 persons engaged in a game
- Giveaways including handmade gifts by the University's crochet club and cookies were distributed
- An educational session by an oncologist and a breast cancer survivor was attended by 88 persons

## Health Initiatives

### Flu Vaccination - October

- Over the course of 2 days, SEHA in collaboration with KU, successfully vaccinated 196 persons against the seasonal flu
- 13 number of Thiqa holders completed a comprehensive health screening

# Environmental Initiatives

## Health Day - April

- A day that aimed to:
  - Promote the adoption of a healthy lifestyle through nutrition, physical and mental health education
- 2 Educational presentations with 56 students attending
- 9 external entities participated in this exhibition

## Health Day 2025

Celebrate Health Day with Us!

Join us in making a real difference for our health and wellbeing as we come together to raise awareness, share ideas and act for a healthier campus.

📅 Wednesday 30 April | 🕒 9:30 AM – 2:00 PM | 📍 Spine Area, Main Campus

### Special Feature Presentation

**Poisons & Toxins: Hidden Threats in Daily Life** by Abu Dhabi Poison and Drug Information services

🕒 12:00 PM – 12:30 PM | 📍 C00068-C01066 – Main Campus

A critical session exposing common toxic substances, their health impacts, and practical prevention measures to protect yourself and others.

To Register: [click here](#)

### Note:

- Community Service Hours will be awarded for attending the session
- Ifhas program will be available for UAE nationals in the clinic, bring your Emirates ID.

**Wonderful prizes await those who participate in our event!**

Best Regards  
Administration, Facilities and EHS
